

GEAR UP

STRIP IT DOWN

Aggressive shooters will love the sporty 12-gauge L4S line from Fabarm. These gas-operated auto-loaders can burn through 3-inch loads no problem, and are ready to kill back-pedalling greenheads right out of the box. Avail-

\$1,250-\$2,100 | fabarmusa.com

able in Initial, Grey and Deluxe Hunter, the new design allows the forend to be removed without complete disassembly, so you can clean the action without stripping the entire gun down.
